

Key Criteria

Mission Statement

To financially assist alpine guides, patrollers, or instructors who require surgery in order to continue their careers.

Key Criteria

1. Career threatening injury (chronic or acute).
2. Documentation supporting career and/or career intent within the guiding, patrolling, or instructing organization.
3. Medical expenses related to injury would present a considerable financial hardship.

Our Practices

The Kees Brenninkmeyer Foundation provides an unbiased determination of a candidate's eligibility for financial assistance. Evaluation of financial circumstance, professional memberships, career history, future career intentions, and injury treatment plan are primary factors in the assessment of eligibility. All arrangements will be determined on a per case basis to best provide a successful outcome that allows for a limitless return to an alpine career.
